YOUR MEMBERSHIP GUIDE

Welcome to Oregon Medical Group Management Association (OMGMA)

OMGMA's vision is better healthcare for everyone. We mean everyone involved in the process: the patient, the provider, and the medical group leaders and support staff.

A healthcare executive's role is unique in that the duties often involve many areas of responsibility such as; accounting, human resources, billing and collections, patient communication, facility management, purchasing, acting as the physician liaison, marketing director and resident managed care expert.

As a **member led, member driven** professional healthcare leadership association, **OMGMA's mission is to promote and support healthcare leaders through education, advocacy, and resources.**

We invite you to join our association of healthcare leaders, **just like you**, who are shaping the future of healthcare in Oregon.

As an OMGMA member you receive

- ◆ **Education** – offered through annual conferences, monthly webinars, our online education library, Managers Time Out meetings (MTOs) and email communications.
- ◆ **Networking** – interact and build relationships with other healthcare executives in our state who face similar responsibilities and challenges.
- ◆ **Career Center** – review available positions from across Oregon. Members can post their open positions to the career center for free.
- ◆ **Legislative updates** – to keep informed on issues that face our healthcare community.
- ◆ **Mentors** – New to medical group administration? OMGMA provides mentoring opportunities for those looking to increase their knowledge and skill set.
- ◆ **Worker's Compensation insurance discount** – through SAIF Corporation (if your group qualifies).
- ◆ **Certification through ACMPE** – using the education, support and resources provided by fellow OMGMA members who have been through the process.
- ◆ **Opportunities** – to interact and connect with industry suppliers offering emerging products and services to help you find solutions to changes in the industry.
- ◆ **Continuing Education Credit Hours** – through our monthly webinars and conferences.
